To whom it may concern,

I am writing in support of the Bread & Water Theatre's efforts to purchase a permanent building. The Bread & Water Theatre (BWT) is a positive and innovative organization that will greatly benefit our community with this lasting presence.

The Bread & Water Theatre was founded in 2000 and for years has been a valuable cultural influence in the Rochester area by offering programs and shows for all to enjoy. Their mission is to make the arts accessible as well as affordable to a wide audience in hopes of motivating and inspiring them. BWT gives members of the community a provocative, challenging, contemporary, and drama-filled experience and employs local designers, actors and directors who actively help and develop theatrical works in Rochester. The Bread & Water Theatre is accessible to all and it never turns away an audience member because of inability to pay.

I support the vision of the Bread & Water Theatre, and I believe that acquiring a permanent building for BWT will strengthen their community-centered mission of making contemporary theatrical arts available to all audiences. Should you need anything, please do not hesitate to contact me at (585)244-5255.

Sincerely,

Harry B. Bronson  
Member of Assembly, 138th District
